2. A Word from
~~~ the Forum ~~~
A reminder from the Champlin Forum to please place all garbage from the locker rooms and penalty box in the garbage cans. Please double check the areas to ensure that you are leaving them in order. Also, please talk to your child(ren) about the rules of the forum: no sticking playing allowed off the ice; the phone in the vestibule is setup to dial 911 without inserting money – the forum has had **numerous false 911 emergency calls in past years so please do not allow your child to play with the phone**, and finally no children are allowed in the concessions area unless they are 16 years old or older (even if a parent is working).

3. Traveling INFO
~~~ Try-outs score sheets ~~~
If you would like a summary of your child's tryout scores, please send an e-mail request to: cpyhatraveling@gmail.com.

Please include the players name and level, along with an e-mail address with your request. Summaries should be distributed over the next several weeks. Please note, not all players will have comments from the evaluators. If an evaluator had comments they will be included in the summary.

~~~ Wreath Fundraiser wrap-up ~~~
Congratulations to all that participated in the 1st Annual Wreath Fundraiser. Due to all your hard work and sales efforts, CPYHA members reached the top sales bracket and received the highest level refund available. Expect this successful fundraiser to return next year!!!

4. Player Development / Clinics
~~~ Northern Edge Holiday Clinics ~~~
CLINICS ARE FILLING UP – RESERVE YOUR SPOT NOW!!!
Back by popular demand, CPYHA in conjunction with Northern Edge Hockey presents the second annual Holiday Clinic. The 2009 Holiday Camp will be held on December 28, 29 and 30 at the Anoka Area Ice Arena*. The 2009 Holiday Clinics are open to Mites (B,C,D), Squirts, PeeWees & older players. The cost for each clinic is $75 for all three days.

Mites (B,C,D): 8:00-9:30am
Squirts: 9:45-11:15am
PeeWees and up: 11:30am-1:00pm

To register, go to the Clinics page.
* Note: Due to the Champlin Forum hosting the Schwan Cup Hockey tournament this year, the clinic will be run at the Anoka

Ice Arena.

~~~ Skills Sundays ~~~
Skills Sundays have been a big hit. You may have noticed your young player doing "Hockey Homework". Please encourage them. Stickhandling is a fundamental skill that can be improved on, at home, as well as at practice.

Goalies and Coaches can download 15 minute ProHybrid goalie practice plans and other Goalie resources from the Player Development section of our website. http://www.cpyha.com/page/show/76433-resources-for-goalies

~~~ Miscellaneous ~~~
* We're working on scheduling our Holiday Goalie Clinics. Watch for more information.

* How do you judge if a season is successful? Wins and Losses are one easy way, but probably not the best way. Improvement? Fun? Are there any measures? If you have any thoughts on what makes a good season, please send them to clinics@cpyha.com.

5. COACHES CORNER
Effective immediately, age appropriate skaters and team designations must be followed. Only rostered team members, coaches, and student coaches are allowed to be on the ice with their designated CPYHA teams. Absolutely NO EXCEPTIONS. ~Gordy Littler, CPYHA President

6. DOCUMENTS, DOCUMENTS, DOCUMENTS
Ice Overview - In the documents section of the website is an "Ice Overview". This document was written to explain the method CPYHA uses to allocate ice to our teams.

~~~ Ice Forum ~~~
* Toys for Tots - The Champlin Ice Forum is a drop off location for the U.S. Marine Corps Reserve Toys. Please drop off a toy to show your support.

Toys for Tots Program - The mission of the U.S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys during October, November and December each year and distribute those toys as Christmas gifts to needy children in the community in which the campaign is conducted. The Toys for Tots program wishes to play an active role in the development of one of our nation's most valuable natural resources - our children; to unite all members of local communities in a common cause for three months each year during the annual toy collection and distribution campaign; and to contribute to better communities in the future. The program is a national effort administered locally, in whatever community the toys are collected is the community in which they will be distributed. The success of the program relies on volunteer support and community involvement.
