Futsal Schedules

Futsal games are held on Friday nights during the months of January and February at Sunrise Middle School. The Under 10 boys and girls will play at 6:00 & 7:00 (alternating) while the Under 12 boys and girls will play at 8:00 & 9:00 (alternating).

We will be using all eight dates for games with the following exception: The U12 girls will not play on January 20.

Each age group will play one game per date – with the exception of the U12 boys, who will have two games on January 20.

Players are currently scheduled for 6 games each; please note that all players are not playing on all dates so check the rosters carefully. I did my best to give siblings the same dates off. If we lose games to weather or other outside factors (ex. - school use) those games will not be rescheduled.

I have scheduled around requested conflict dates but I understand that new conflicts and other situations will arise. Please do not "no-show" without contacting me prior to scheduled game. If you know that you are going to miss a game in advance you have two options, **One** – you can try to find someone to switch dates with and if successful you will contact me with that information. **Two** – you can contact me with your conflict and I will try to find a player to switch dates. Again, please do not no-show without contacting me in advance. I will update all roster changes on the schedules posted on the website.
