

# McFarland Hockey Boosters

Twenty-Five years ago a group of dedicated individuals had the insight to form a booster club in McFarland to serve as a means of support for the high school program and the youth association. Through hard work and innovative ideas the booster club has grown considerably in size and function. Today the booster club is involved in the following activities:

- Administers the high school varsity hockey programs;
- Provides free equipment to ice mites;
- Offers financial aid for skaters who cannot afford to pay the dues associated with playing hockey; and,
- Support for several past and current facility improvements in the McFarland Community Ice Arena.

The McFarland Hockey Boosters, Inc. is a non-profit organization. The only way we are able to raise money is through fundraising activities and donations. If you are interested in making a donation, please contact one of the Board members. If you would like to become a member, please complete the accompanying application.
