Tryout Discussion

A lengthy discussion was held to discuss issues raised by Julie Johnson regarding the tryout and selection process. Coach DuVair and Bryan Borrell both responded to the issues raised. There were no changes made to the teams.

The Pee Wee C team has a player unable to play due to a sever sprain and one player that is not available every other weekend. The Pee Wee C team is looking to move a couple of Squirt players up so that when the Pee Wee C team is short they can get a couple of players. Tim Dively is going to check with WAHA to make sure we are going it according to the WAHA rules.

The board was asked to address in the handbook what happens if a skater misses one session of the tryout process or two sessions of the tryouts. Also what happens when our high school team gets 60 skaters trying out and what happens to those bantam skaters who did not make the high school team but now wants to skate as a bantams, which team will they be on?

Be more specific tell all the details at every parent meeting. Tell them how jerseys are handed out, how skaters are evaluated, who scores them, who puts the players on the teams, who pick coaches.....

Terry Halligan motioned & Jim Kachel seconded to approve minutes from Oct 11th meeting. All in favor motion carried.

Tom Jasurda presented the treasure's report. Being we have not paid for any ice time it looks like we have surplus cash but a large portion of that will go to pay for ice.

Teams that have lost games due to canceled ice will be the first to be replaced.

Tim Divley will be sending a list of association schedualers to team managers so that the team manages can call and confirm games.

First Mini-Mite practice this Saturday: Dennis Diagle, Lonnie Techel, Shawn Sukup, Terry Halligan, Tom Jasurda, Scott Olson. Ryan Berdal will be running the first practice.
