We would like the new high school coach to come to an Everest Youth Hockey board meeting and also come to each of the parent meetings.

Financial Help:

Two families have requested financial help.

Tim is getting prices on ice dividers \$1,000 to \$1,500 He has also picked up four goalie tarps to replace the worn out ones that we can not get repaired.

Need another trophy case or two wings for the trophy case we have.

Tim talked with Mike Kennedy the region two WAHA representatives. Someone in the Arrowhead association recommended that Everest may want to be moved up to division 2. WAHA may ask us at the end of the 2006-2007 season if we are interested in moving up to division 2.

We currently have a conflict with the Pee Wee State tournament which is the first week in March. Terry Brandt has reserved the second week of March for us to host a state tournament. The first week of March is also the Speed Skaters National Tournament and the Speed Skaters have the first weekend in March reserved at Greenheck.

Kent will be meeting with team managers and reorganizing the manager binders.
