Board reports:

President

- The referee clinic this past weekend went really well. We have 42 new grade 9 referees and 17 new grade 8 referees from last January. A big thank you to Richard Jay for coordinating this clinic. Sagebrush is going to receive \$300.00 scholarship money for sending the most number of referees. A very big disappointment from the other clubs for not sending in anybody to the referee clinics.
 - Another clinic is going to be held in Carson City on Feb. 25&26.
- We need to send two delegates, one from RSU and one from Sagebrush, to the Sparks Youth Foundation meetings held every last Thursday of the month. Our league gets three votes for any voting issue.
- A very strong reprimand will be handed to any teams that is using the permitted fields. The city/county officials had contacted the league that there are some teams using the fields already. These teams will be the last ones to get field permission.
 - Lazy 5 will be open for our use this spring for games only.
 - Mendive and Shadow Mountain Parks will be for practices only.
 - Mira Loma will be used for games onky.
 - Mary Gojack field is for U17&19 games only.
