

COACHES CODE OF CONDUCT

We shall endeavor to set a good example to our youth in their soccer development at all times by adhering to the following:

- We shall never criticize the referee openly or directly during or after games. Any criticism shall be done in writing not verbally.
- We shall endeavor to give only positive feedback to the players.
- We shall attempt to COACH at all games within the spirit of fair play and shall do our best to cheer the effort not just the result.
- We shall do our best to teach our players to become students of the game of soccer.
- We agree to avoid all substance abuse activities.
- We shall do our best to look for the little successes that our PLAYERS have during each game.
- We shall show the quality of our sportsmanship during and after each and every match and make sure we and our players remember to THANK THE REFEREE AFTER EACH MATCH REGARDLESS OF THE RESULT.
- We shall do our very best to have our team prepared for each match and make the best effort to get to the game on time.
- We shall support the learning effort of the players, the parents and the referees by demonstrating our patience and a problem solving attitude.
- We shall remember to follow proper first aid procedures and never pick up an injured player. Always wait for the player to get up on their own or contact emergency care
- We shall control our behavior at all times.
- We agree to do our best to use those words as listed in the Team America Soccer Vocabulary.

We agree to do our best to have as much fun coaching, teaching and watching the game as the players have playing the game.
