Acknowledgement of Responsibility

I understand and agree that I, as a representative of the La Mirada Baseball Association (LMBA) and PONY Baseball, do not have a license to do as I please as I carry out my duties with my team. I am aware that I am working with the youth and that restraints on my actions may be necessary. I also understand that if I am approved as a manager, I may appoint a Head Coach, Assistant Coach(es) and Team Parent to assist me. I agree to inform the adults assisting me of the rules of LMBA, PONY Baseball, The City of La Mirada's Youth Sports Code of Conduct and the Usage Agreement between LMBA and the City of La Mirada. I further understand that I am responsible for the actions of my assistants.

I am aware of the LMBA and PONY Baseball, Inc.'s principles and upon approval as manager, I will be given a rulebook that outlines these principles. I will do my best to act responsibly and according to those principles. I am aware that game rules are interpreted by "Sporting News Official Baseball Rules, which may or may not have been superceded by the by-laws of the LMBA and/or PONY Baseball. I understand that the umpire is in charge of the field and that his/her ruling may not be excessively challenged during the game. If I feel that a decision is incorrect, I can protest the game and have the ruling reviewed by the LMBA Rules Committee as outlined by the by-laws of the LMBA. I understand that excessive challenges are grounds for the umpire to eject me from the game.

I understand that using crude, abusive or obscene language or gestures toward players, umpires, managers, coaches and/or spectators is strictly forbidden. I understand that part of my responsibility as a league representative is to discourage this conduct at all times. I understand that corporal punishment is illegal and that the LMBA is obligated by law to notify local authorities if it is used. I understand that any disciplinary action I intend to use must first be approved by the commissioner of my division and/or the LMBA Board of Directors depending on the severity of the problem. I understand that if I am suspending a player from a game because of conduct that I must notify the division commissioner and/or LMBA Board of Directors, if necessary, before suspending the player.

I understand that the use of tobacco products is prohibited (per City/School District Ordinances) in the playing area and dugout. Because our games are played on school and/or government property, I further acknowledge that alcohol and drugs are strictly prohibited, and I may be called upon to assist in removing spectators engaged in the consumption of or under the influence of these products. If there is evidence that I have used these products before a game or practice, I may be asked to leave the field or be subjected to further disciplinary action including, but not limited to, forfeiture of my team's game.

I understand that as a representative of the LMBA and PONY Baseball, I must be legally licensed to drive and possess adequate liability insurance, as mandated by state law, while transporting children other than my own to and from games or practices. I will not allow others to transport such children if I am aware that they do not comply with this requirement.
