

Northbrook Hockey League

Standard Payment Policy

House League:

- Full fees due at time of registration.

Travel League:

- Payment equal to House League fees due at registration
- 2nd installment due October 15th
- 3rd installment due December 1st

No player will be allowed to participate after the due dates if payments have not been received and cleared (including team funds) unless prior arrangements have been made with the Executive/Scholarship Committee. The Executive Committee will notify the offending member, the Hockey Director and the appropriate Coach that the member player is not eligible to participate in any team function until payments and fees are current.

The policy for missed payments or bounced checks/refused credit cards is as follows:

- Bounced Checks / Refused Credit Cards: Insufficient funds or refused credit cards will constitute a missing payment. A Fifty Dollar (\$50.00) fee will be charged for any bounced check or refused credit card (regardless of payment policy). That fee must be paid before a member is considered current.
- 1st Offense: Suspension until payments and fees are current and have cleared
- 2nd Offense: Ten (10) day suspension after payments and fees are current and have cleared
- 3rd Offense: Suspension for the remainder of the season. The offending member will not be reinstated for the following season (spring or fall) until all past due fees are current.

Team Funds: Team funds are considered a member's obligation and must be current for a member to be considered in good standing. A team Manager may report any member who is not current to the Executive Committee. The Executive Committee may suspend the member player until team fund payments are current.

Scholarship Committee Payment Policy

At all levels, whatever arrangements have been made, payment plans must be complete by December 1st. Any deviation from this date must be approved by the Scholarship Committee prior to the awarding of the scholarship / payment plan. Under no circumstances will extensions be granted past January 1st. Any missed payment will negate the payment plan and the payment schedule as outlined in the Standard Payment Policy above will take effect. Any member who receives a scholarship or is granted an extended payment plan and does not abide by the terms of their plan will not be eligible for financial aid the following year.
