

TRI TOWN TRIBAL YOUTH LACROSSE

RAGE CAGE®

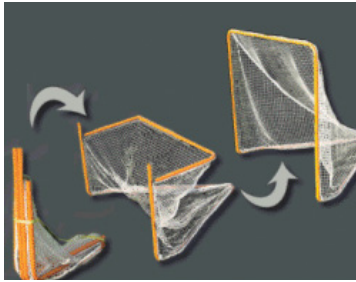

The **Rage Cage** nets are simple to use and transportable.

Rage Cage is a wonderful solution to all the problems associated with conventional lacrosse goals, such as storage and transportability. Made of heavy gauge steel tubing and weighing a minimum of 39 pounds. Nets are attached to the rear of the crossbar and uprights, and to the top of the ground pipes.

The Rage Cage net comes pre-strung, powder-coated orange, and a carrying strap is included.

Note: Rage Cage frames ship broken down, one-time quick assembly required.

Once assembled, it takes 30 seconds to setup and breakdown.

RAGE CAGE GOALS -- Full size (6ft x 6ft x 7ft)

Rage Cage B100 \$239 Intended for U14 youth organization games and backyard play.

Rage Cage Club \$334 Intended for lacrosse practices at all levels, College teams, Post-college club teams, High Schools, and youth organizations.

\$36.00 per goal. Allow 5-7 days for delivery.

ACCESSORIES

Rage Cage Visor \$164 designed to prevent losing balls or running after lacrosse balls behind the goal, especially if you goal borders a brush, wooded or area full of weeds. AKA, the Nice Neighbor Net. Rage Cage Visor attaches to the One Time Assembly holes in the Rage Cage B100 and Club goals.

To attach Rage Cage Visor to any other goal, holes must be drilled in the proper locations of the goal.

\$20.00 shipping per Visor. Allow 5-7 days for delivery.

Rage Cage Shot Blocker \$55 is a 4' x 4' ultra durable, yellow mesh, with 5/8" grommets and bungee cords permanently attached to each corner.

The Rage Cage Shot Blocker is a training device that encourages shooting for the edge of the goal.

\$5.00 shipping per Shot Blocker. Allow 5-7 days for delivery
