

TAMPA BAY TITANS DONATION / SPONSORSHIP FORM

The mission of the Tampa Bay Titans Hockey Club, Inc., a non-profit corporation, is to create a well-organized travel hockey program for children of all ages. Through this advanced level program, our primary goal is to educate these young athletes to life skills that will be invaluable on and off the ice. The foundation blocks of this program are teamwork, dedication, and accountability. These assets will not only contribute to improvements as hockey players but will help them prepare for life outside of sports.

In consideration of these goals, we must also consider that hockey is an expensive sport. This program must provide jerseys and socks to all players. As we will play in approximately 4 tournaments outside of the Tampa Bay area, there are travel expenses for the team and coaches. Being located in Florida, ice rental fees are quite expensive. Tampa Bay Titans Hockey Club, Inc. appreciates all donations and sponsorship opportunities, as this lowers the fees paid by the players and their families.
