HOUSE LEAGUE STARTS

Welcome back to fall soccer. Players should have been contacted by their coach by Sunday, Sept 10th. Practices start the week of the 11th and the first games will be on the 16th, except for the U6 group, which will have parent and child orientation that day. Game schedules should be ready by the 12th, and your coach will get them as soon as they are ready.

Remember, shin guards are required and socks must cover them (you may want to check with your coach if there is a specific color for your team). Don't forget your soccer ball and *non-disposable* water bottle.

We are still recruiting volunteers for our Team Sideline Liaison program. The next training session is September 19 from 7-9 PM. If your team doesn't have a volunteer, this is a wonderful program to help enhance the playing experience of our children.
