

# 15<sup>th</sup> ANNUAL EUCLID MEMORIAL CLASSIC

## DIRECTIONS TO THE SHORE FIELD

From the East – be sure to stay in the LOCAL LANES (I90 E)

From the West – I90 and State Route 2 are the same from downtown Cleveland to just beyond Euclid

From the South – I 271 N is better choice than I77 N as it avoids downtown Cleveland. Be sure to stay in the LOCAL LANES on I271 N. If you are in the EXPRESS LANES watch for signs for Cleveland, the last cross over is just north of Wilson Mills Road. If you are stuck in the EXPRESS LANES you will have to turn around at Rt 306 and come back to Euclid on I90 E.

From the all directions - Exit I90 at Babbitt Road and proceed north to Shore Center Drive. At this intersection you will see the Shore Cultural Center on your left and a National City Bank branch across the intersection on your right. Turn right here. Then turn right past the former Value City Department Store and before the Rollerdrome. Shore Field is behind these buildings. Watch for signs!
