

Dear Fellow Coaches:

I would like to personally invite your team to participate in the **HiFive Cincy Challenge** soccer tournament on October 14th and 15th, 2006. This tournament is presented by the Warren County Soccer Club, and is sanctioned by the Ohio South Youth Soccer Association. Matches will be held at facilities in and near Lebanon, Ohio (north of Cincinnati and south of Dayton, between I-75 and I-71), with all tournament field locations within just a few miles of each other.

The first two Challenges exceeded typical "new tournament" expectations, and established the **HiFive Cincy Challenge** as a top Fall tournament destination. A total of 300 teams of all levels and abilities from Ohio, Indiana, Kentucky, Illinois, Michigan, and West Virginia joined in the fun and competition, and our 37 champions proved that they were "up to the challenge" at this great event. The competition in our top bracket was excellent, with GotSoccer.com awarding a Silver ranking to the Girl's Blue division in 2004, a Gold ranking in 2005, and a Bronze ranking to the Boy's Blue division for both years. The hard working volunteers from the Warren County Soccer Club are currently planning and preparing to make this year's **HiFive Cincy Challenge** even better than last year's, and we've identified your team as one that could contribute to the excitement.

Please be sure to put the 2006 **HiFive Cincy Challenge** on your schedule. For additional information or to register for what is fast becoming one of the region's top Fall tournaments, please visit our tournament website today at www.cincychallenge.com. The number of participants will be limited again this year, so don't delay. The Challenge is ready for you. Are you up to it?

Bill Connor
Director - Tournament Committee
HiFive Cincy Challenge 2006

COMING SOON

Are You Up To It?

Teams will include both boys and girls, ages U-8 through U-14.

The tournament will be held at spacious parks in Lebanon and Mason... all fields within just a few miles from each other.

Advertising and sponsorship packages are available.

Opportunities are also available for food, beverage and merchandise vending.

There will be a midway of fun events during the tournament.
