

## **Renegade Teams:**

The WBBA will not support renegade teams with equipment or gym space, nor approve or support renegade teams in any tournaments, including the State Tournament. A renegade team is defined as a team made up of players who did not try out for travel and/or are not playing on a Southwest or House team. A team is also considered renegade if it is composed of players from various WBBA teams that have formed an additional squad during the regular WBBA Season.
