

**WBBA  
TRYOUT ABSENCE POLICY  
TRAVEL PROGRAM  
11-12-02**

The Wayzata Boys Basketball Association is committed to providing each player the opportunity to play at a level that is commensurate his abilities. In the case of an absence during traveling tryouts the following policy has been established to determine specifically what team a player would be assigned (includes but not limited to injury, illness, etc.):

- A) If the player was a “top 5 player,” as determined by his previous year’s coach, he would be granted a spot on the same level team for the ensuing season.
- B) If the player was on a Gold team the previous season, but not one of the “top 5 players,” as determined by his previous year’s coach, he would be granted a spot on a “B” team for the ensuing season.
- C) If neither A nor B above apply, the matter would be handled on a case-by-case basis by the WBBA board for the ensuing season.

In the event that a player is granted a spot on a team but his injury/illness would prevent him from participating until after January 1, he would be placed as an 11<sup>th</sup> player on the team.
