ANNOUNCEMENTS, REPORTS

Mary Sue Curley was introduced by Janis Donnelly. She is a mortgage officer at Janice's bank.

Craig Leiser introduced our Peace Scholar, Noelle Volin. She spent 2 years in Japan. She is planning to enroll in Hamline Law School in the Fall.

Julie Bunn enjoys making up at our club and invited us to make up at hers.

Ken asked all to give a big thank you to Steve for the great job on the picnic. Pictures of the fun are available on the web at this address...[Stillwater Sunrise Picnic Pictures](#) . Brent Voight and Janice Donnelly were this

years Bolo champions, with Brent using a new throwing technique which is being reviewed by the international bolo organization as a possible illegal toss (-:

The Midnight Golf Tournament on September 12, was discussed at length. Most of the Rotary members will be helping participants through the tournament, so it is important to recruit as many people to play as possible. \$60 per golfer, it would be great if each member raised \$250-\$300. Glow in the dark golf balls will be used and the venue is one of the best in our area, Stillwater Country Club. Dinner and registration are from 5-7:30. It will include a silent auction. All the proceeds will go to our Youth Alcohol and Drug Program. Cost will be \$60 until the 1st of September and then \$75 afterwards, so get started finding participants.

John Huenink was inducted into the club. He lives in West Lakeland and is an employee of Kraus Anderson Construction Company. He has 3 children from 10-3 yrs. Old. He was brought into the club by Pete Smith.

Please, we need one more host family for the youth exchange student. It is only a 3 month's commitment.

SARGENT AT ARMS

Steve gave a big thank you to all that came to the Picnic, which made it such big success. Thank you to Val for helping out at the last minute and Rick for all his help. Also, Steve warned us if we hear of big events in Washington to be aware he and his family will be there next week.

Byron H. just had his 52nd birthday.

Craig forgot to mention he celebrated his 44 wedding anniversary last month.

Craig had a two flags from a joint meeting of the Lions and Rotary in Australia.

NEXT WEEKS PROGRAM AND SHAMELESS SELF PROMOTION

Shari has the program next week, she has Barb Wendt, Homeownership Preservation Foundation, presenting. This is a non-profit that is has been set up to help people out of foreclosure.

PROGRAM

Rich Cummins introduced his speaker for today, Dean Junkans, Chief Investment Officer, from Wells Fargo. He began by listing 7 worries we have today...oil, inflation, dollar, housing, consumer, financial stocks, Fannie & Freddie Mac, Toxic Tomatoes and Brett Favre Tampering in reverse order of importance. (-:

In Oil, US now consumes 25 barrels of Oil per capita, China 2 and India 0.8. So the trend is more, and more used. The Ford Model T got 25 MPG and today the average MPG is 22. Not a good trend.

For the dollar, Dean is predicting that the dollar will get stronger but never back to its old days.

Counties like Brazil, Russia, China and India will soon be competitive with us. Did you know of the 100 biggest shopping malls in the World only one is US? The US consumer is no longer #1.

Regarding investing in the market remember, it is no longer driven by logic, to manage it successfully is a short term thing and you cannot out-smart it. The secret is asset allocation, diversification, risk control. Liquidity and investment cash flow, tax management and Discipline.

JOKE of the WEEK

A K-State student was stopped by a game warden at Tuttle Creek Lake recently. The student had two ice chests full of fish. The game warden, a KU grad, asked him, "Do you have a license to catch those fish?" "No, sir, I don't have a license. These are my pet fish," replied the Wildcat. "Every night I take my fish out to Tuttle Creek and let them swim around for a while. Then I whistle and they jump right back into this ice chest and I take them home."

The warden said, "That's a bunch of hooey! Fish can't do that!"
The K-Stater looked at the game warden for a moment and then said,
"It's the
truth. I'll show you, it really works."
"OK, I've GOT to see this!" responded the warden.
The K-Stater poured the fish into Tuttle Creek and stood and waited.
After
several minutes, the game warden turned to him and said, "Well?"
"Well what?"
"When are you going to call them back?"
"Call who back?"
"The FISH!" yelled the game warden.
"What fish?"
