

Dear Hawk Families,

As you know we have been faced with many challenges the past couple of weeks. The ice situation at Darien is unfortunate, but they are working on the repairs and ice will be ready for our tryouts. The third sheet of ice is also scheduled to be open for tryouts.

We had day camps scheduled for the next two weeks and Bensenville was kind enough to let us move the camps over to their rink. With that said we unfortunately do not have enough attendance to warrant running the camp, so we are shutting it down. I wanted to get the word out to those of you that might have been planning on signing up the day of camp. Larry Pedrie is going to come help us run some of our conditioning camps. The conditioning camps will be held at Bridgeview and Darien will reopen September 2nd.

Hot Shot Hockey will continue this week at Bridgeview and then they will be moving to Seven Bridges in August. New dates and times can be found on the website.

There is also Pee Wee game of the week at Bridgeview Monday night and there are Mite, Squirt and Bantam skates this upcoming week at Seven Bridges.

Our new website is up and running and online registration has been a huge success. The new website will have many other functions for us as the season gets underway. To avoid the late registration fee and guarantee yourself a free hockey bag sign up soon!! We will also be unveiling our new jerseys soon.

Thank you to everyone for all of your support and understanding. Enjoy the rest of your summer!!

Sincerely,

Joe Messina
Hawks President
