

Hawks Families-

First of all thank you for registering your player with the Chicago Hawks Hockey Club! The 2008-2009 Season is almost here and we are excited about conditioning which starts this Monday the 18<sup>th</sup> at Bridgeview Ice Arena.

For some of you who have not been to Bridgeview lately you may want to plan an alternate route to the rink if you have one of the earlier ice slots. There is construction on 294 and the traffic can get very heavy near the 95<sup>th</sup> Street exit.

We will be checking players in at conditioning this year, if you have only registered for tryouts, but want to attend some of the conditioning skates we are allowing drop ins and the cost will be \$45 per skate payable that day. We will accept cash or checks.

On August 27<sup>th</sup> and August 28<sup>th</sup> Total Hockey will be at Bridgeview to do sizing for Jerseys and Warm-ups, please try to arrive a little earlier those days.

Thanks

The Chicago Hawks Hockey Club
