

GIVING BACK TO YOUR COMMUNITY: HANSEN DOLLARS

Hansen Collision has enjoyed serving communities like yours since 1946. In an effort to give something back to your community, Hansen Collision has developed a fundraising program called “Hansen Dollars”.

It is designed for schools, churches, and non-profit organizations to raise valuable dollars for their many causes.

HOW DOES THE HANSEN DOLLARS PROGRAM WORK?

Each time you make a purchase at any of Hansen Collision’s 23 West Michigan locations, we will donate a portion of that purchase to the school, church, or non-profit organization of your choice.

HOW TO GET STARTED?

- Step 1:** Enroll in the Hansen Dollars Program (GRAHA is already set-up).
- Step 2:** Have your community members identify that they would like a portion of the proceeds from their purchase be donated to your organization (GRAHA). It is important that your members identify your organization at the beginning of the repair process!
- Step 3:** A monthly check will be sent to your organization based on your members’ combined purchases.

HOW MUCH CAN YOU EARN FOR YOUR ORGANIZATION?

The following scale is used:

\$750.00* - \$1,999.99 =	\$50.00
\$2,000.00 - \$3,499.99 =	\$75.00
\$3,500.00 and above =	\$100.00

*Minimum purchase of \$750 is necessary to qualify for a Hansen Dollars donation.
