

Mona Shores Varsity Hockey Yearbook Ad Sales

The Mona Shores Hockey team is seeking sponsors for the 2008-2009 hockey season. We are seeking members of our community who are willing to commit to help promote the very successful Mona Shores Varsity hockey program. The Mona Shores team has shown itself to be a wonderful representative of both the school and the area.

Each season requires the team to raise between \$65,000 and \$70,000 dollars towards operating funds. Eight percent of this cost is provided by the school. Most of this cost is due to the high cost of ice rental.

In addition to paying for the ice, team players are also responsible for providing the majority of their equipment and hockey equipment tends to be very expensive. Sticks alone range from \$50 to \$200.00, and a player can go through many in a season, goaltender equipment can cost several thousand dollars.

Keep in mind that all contributions are tax deductible under the Internal Revenue Services' 501 (C3) program. There are two levels of enhanced contributions available with the following benefits:

Goaltender's Club ~ \$1,000	Stickhandler's Club ~ \$350
