

Dear Ladies and Gentlemen,

Anaheim Pony Baseball is a nonprofit organization that was formed in 1959 for the benefit of the youth of Anaheim, California. Our organization is made up entirely of volunteers. We endeavor to provide an atmosphere of friendship, encouragement and guidance, as well as teaching children the benefits of team unity, fair play, practice and hard work.

We strive to keep registration fees at a minimum but the costs associated with running an organized baseball program are continually rising. It is the policy of this league that any youth may participate, whether financially able or not. To make this possible, it is essential that we rely on help from members of the community and others to support us through donations.

We would like to make our 2012 season exceptionally memorable for the families and children of Anaheim Pony. Any type of donation to support our league would be greatly appreciated. Your tax –deductible donation will benefit and enhance our children’s growth in the sport of baseball.

Anaheim Pony Baseball thanks you for your time and consideration. We appreciate your participation and the support of our youth baseball program. Without you and others who are willing to donate their support, our league would be unable to provide a safe place for over 500 youth to learn and most of all have fun.
