Gaming Update: Everything is going ok. Todd Leyse has been trained on how to handle the drop off and pick-up. Everything is good from the annual gambling control board audit.

Old Business:

We still need to solicit more volunteers to join the board or to help with the various jobs. We especially need help running the concessions for the fall tournaments. The process documentation created by Jodi & Kris will greatly simplify the task for next season. Next month we will circulate the list of positions to sign up for 2008/09 positions. We also discussed the possibility of having an end of season banquet. This is something we may consider for next year if we have volunteers to organize this.

We discussed the pro's and con's of adding 4th grade traveling teams. The general consensus was to leave our house and traveling program as it currently is. We will continue to provide information to the 3rd & 4th coaches about opportunities to play after the season.

We agreed that the Tournament Directors and traveling coordinators will select 5 tournaments that all the teams will attend. (Boys & Girls)

Diane Miller has resigned from the board.

Department Reports:

Jr High - Tournament went well this past weekend.

Sr High – Ran a successful jamboree this year.

Building Committee Update: There was discussion about a sports facility and how does it fit into our plans. We will try to invite them to our next meeting to learn more.

Next meeting: March 17th - 7:00 PM Community Center
