Sporting Highlights:

Summer Tennis

The MLAA Boys/Girls Tennis Program ran during the month of July this past summer for 50 children. The MLAA recreational tennis program was designed to provide an introduction to the game of tennis for Medford Lakes kids. The summer program included a mix of skills and games: fundamental strokes, sportsmanship, footwork, scoring and match play were introduced through fun.

Men's Softball

The Men's Softball Program had a great year. Competitive weekly games were capped off by exciting playoff series. This years' league champions are the Stew Doggz, led by their MVP, Jared Coughlin. The community was invited to the finals, celebrated with DJ Paul Ritter, and Beanie the Clown. Food was provided courtesy of Bernardo's Pizza. Thank you to this years' teams~ Stew Doggz, Roadkill, ABCO, Blazin' Cannons, First Class Tree Service, After Hours, Chico's and Vandalay Industries.

Adult Beach Volleyball

Another great reason to be at the beach during the summer(s): Adult Volleyball! This years' league was chock full of players, with 20 teams vying for the title. Weekly matches were as exciting as the playoffs. The championship game pitted the defending champs Team Lillie against undefeated regular season champs Team Young. Team Young emerged victorious in a tense three game match. Congratulations to all teams who participated. It was a great summer at the court.
