

QUALIFICATION CRITERIA

- Student athletes graded on a numeric or letter grade system must have a Grade Point Average of 3.0 or above.
- Special education students may qualify with a letter from their case manager stating they showed above average performance.
- Grades will be utilized from the time period(s) that closely aligns with the hockey season.
- All grades received during the designated grading period must be used to determine Grade Point Average.
- No incomplete grades are allowed during the designated grading period. If a student receives an F or Incomplete, they can not qualify for S.K.A.T.E.
- This program is not mandatory for all student athletes. Participation is up to the family of each individual skater.
- Report cards will be utilized to determine Grade Point Average, but S.K.A.T.E. will respect all laws and privileges for privacy. All information will be kept confidential.

*For each class, list the points that correspond with the letter grade for that class. Add all the points together and divide by the total number of classes to arrive at the GPA.

This formula should result in a number between 0 and 4. If the number is 3.0 or greater, the participating student athlete qualifies for S.K.A.T.E.

**If you are graded on an "S" system, follow this formula. For each class, list the points that correspond with the grade for that class. Add all the points together and divide by the total number of classes. This formula should result in a number between 1 and 4. If the number is 3.0 or greater, the participating student athlete qualifies for S.K.A.T.E.
