

Youth Hockey Happenings (YH²)

Faribault Hockey Association

Welcome to YH² for the week of December 24th, 2008. This weekly peek at what is going on in the Faribault Hockey Association is brought to you by the Faribault Daily News.

Since practices began in October, the FHA has been running pretty steady seven days a week. This week includes the first “mini-break”, around the holidays, as most teams will be off on Christmas Eve and Christmas Day.

The main event occurring at the ice arena this weekend is the annual Alumni Game on Saturday, December 27th. Starting at 5:00, there will be a game featuring FHA and High School players from yester-year. Come down to the arena and see if the “old guys” still have it.

This past week, the Bantam A team participated in a tournament in Hudson, Wisconsin. They were 2 – 1 in pool play, and went on to place 4th in the tournament. Squirt A’s faced some pretty stiff competition in a tournament in Monticello, losing 3 games over the weekend. The team enjoyed the time bonding at the hotel, spending a lot of time swimming and playing knee hockey with the bitter cold and snow outside.

Faribault's PeeWee B team is off to a great start, posting a 9-3-1 record. This record includes an impressive performance in their first tournament of the season. The team swept three games in earning the championship of the Mankato PeeWee B tournament the weekend of November 22nd and 23rd. Their most recent win, over Owatonna Monday night, has shown that hard work pays off. The effort included 5 goals: 2 from Chase Batchelder, 2 from Holden Biebel and 1 from Jack Donkers. Our goalie, Riley Hullett, kept us in the game with 25 saves and allowing only 2 goals. "This was a big win for us, a total team effort." said Coach Nate Nawrocki. The team is made up of mostly 1st year PeeWee skaters, many of whom have skated together for a few years. Next up for the team are league games against rivals Albert Lea and Mankato this week.
