## **REFEREE PROCESS & PROCEDURES**

### **Ref Vouchers:**

U7/8 get 4 home center vouchers printed by NBSC,

U9/10 get 4 home center vouchers printed by MK,

U11/12 Rec get 4 center vouchers printed by MK, and 8 AR vouchers printed by NBSC

U11 Select get both 4 center and 8 AR vouchers printed by MK

U13/14 REC get 4 center vouchers printed by MK, and 8 AR vouchers printed by NBSC

Basically Kickers does not pay for U7/8 referees or sidelines for U11 and up unless it is select. NBSC Feels there should be refs at those games in those positions there for pays them ourselves out of our account.

- metro/SECL - U12- U14 Kickers will mail a check written to the team manager that is good for 1/2 of the payment for all games - Managers should be prepared at EVERY GAME to pay half of each referees fees (the other team should provide the other half) basically at EVERY game they need 3 envelopes (with cash- not check) one for center and one for each AR. U11/12 fees are as such: \$25 (12.50) for center and \$15 (7.50) for each AR U13/14 fees are as such: \$30 (15) center and \$20 (10) for each AR.
- U15 and up - at U15 and above - Kickers no longer kicks anything back to teams for their referees (and neither does the NBSC at this point)... but they are still required to pay have of every referees fees at each game - again they should be prepared with 3 different envelopes at each game with exact cash- pay schedule is as follows:
  - U15/16 - \$40 (20) center and 2 \$25 (12.50) AR referee envelopes
  - U17/18/19 - \$50 (25) center and 2 \$30 (15) AR referee envelopes

Note: The main amount is owed between both teams so the amount in the parenthesis is what the team actually brings to each game.
