

## Garden Grove Pony Baseball, Inc.

“Protecting Our Nations Youth”

Dear Sirs / Madam:

Garden Grove Pony Baseball has been a long standing Non-Profit organization in Garden Grove Since 1961. We maintain our youth baseball expertise by playing at Walton Fields and often travel to compete with surrounding cities. Our objective is to allow our youth to contribute to the Garden Grove community, by providing an enriching environment that promotes excellence in Leadership, Fair Play and Athleticism in the Sport of Baseball. In addition, we provide the importance of Integrity, Team Unity, Bravery, Endurance, Aptitude and Competition - Win or Lose. All of these are essential values that will help the youth of our community be successful on and off the field.

The success in our organization depends on a group of gifted and giving people each season. Garden Grove Pony Baseball exists solely for the youth of our community. We strive to keep our organization running smooth and to keep our costs to a minimum, which in turn gives the opportunity of participation to a greater number of the boys and girls in our community.
