

# Palatine Celtic

# Soccer Club

The Palatine Celtic Soccer Club has successfully competed with other park district and private soccer clubs at many age levels. Over the years, Palatine Celtic Soccer has sought to harness the enormous amount of talent in the Palatine community into a concentrated, focused Travel program. Upon receiving a solid base of training and development, our program serves as a feeder for local high schools and has produced top level teams that compete in State Cup. Our Club has also produced many players who have gone on to play in the Olympic Development Program and at the collegiate level. The many achievements summarized below speak to the success of this effort.

## 2009 - 2010 Travel Program Achievements
