MAHA/Districts	<p>An e-mail from David Stankewicz- MAHA D6 Chairperson was received on February 21, 2009 that said associations holding try-outs prior to March 23, 2009 would be in bad standing with MAHA. CHA's try-outs are scheduled to run March 14-20. We contracted the ice in July of 2008 and have already run advertisements. Not having try-outs during our currently scheduled times would cost the Chelsea Hockey Association at least \$15,650. In addition, with Chelsea being surrounded by other districts that don't have restrictions on when they have tryouts this puts us at a disadvantage to recruit players, who want to commit to a team early.</p> <p>In response the CHA is writing a letter (see below) to the MAHA Attorney and President, as well as the D6 Chairperson outlining what the CHA feels it must do in response to this edict. In addition, at try-outs all CHA travel teams will have a release form for parents to fill out saying his/her previous team's season is over. Form was recommended for approval by Lisa Beam and seconded by Doug Finn. Approved unanimously.</p>
