

PENFIELD STRIKERS IS NOW A UNITED WAY OPTION D AGENCY!

This Spring as the United Way campaign begins in businesses throughout Monroe County please be aware that you can designate part of your United Way donation to the Penfield Strikers Soccer Club. All donations made to the club via United Way Option D will go into the **clubs scholarship fund**. These monies allow the club to grant scholarships for girls in Penfield who want to play soccer in Penfield but cannot afford the clubs registration fee.

Donors who choose to designate their gift should use a United Way Designation Form (sometimes you need to ask for one at your office) and indicate Penfield Strikers Soccer donor designation number **2487** as a recipient of their gift.

Thanks for helping to keep every girl who wants to play on the field!
