

ACE Resource Package

Each association will be able to purchase an ACE Resource Package for \$175.00. This resource package will only be available to associations with an established and appointed ACE Coordinator registered through USA Hockey's Coaching Education Program National ACE Director.

The ACE Coordinator will be responsible for the association's resource material. Coaches and administrators can check these materials out through the ACE Coordinator and return them at a specified time assigned by the ACE Coordinator.

For further questions regarding the resource materials, contact Alison Raines at 719-576-8724, ext. 180.

For further questions regarding the ACE program, contact Dan Brennan at 719-576-8724, ext. 177.

Included in this package are the following materials (with retail prices):
