

# CANNONS TAILGATING

In an effort to provide a safe and enjoyable atmosphere for all fans and spectators, the Cannons have established the following policies regarding tailgating within the Harvard Athletic Complex:

- ★ Guests who park within Lots 1 - 3: Rugby Field, Webster Field, and Palmer Dixon Lots are welcome to tailgate at their vehicles.
- ★ Use one space per vehicle, use aisles for tailgating parties instead of using additional parking spaces.
- ★ Beer Kegs and items that promote the rapid consumption of alcohol are not permitted at any Cannons events. No individual or group can transport alcohol into Harvard Stadium. Vehicles and/or fans carrying amounts of alcohol above State Law will NOT be allowed within complex.
- ★ Unruly or visible intoxicated behavior will be grounds for removal.
- ★ Commercial vehicles (U-Hauls), RV's , Winnebagos, and oversized trucks are not permitted in any parking facility.
- ★ Tailgating is limited to 3 hours before the game and an hour after each game.
- ★ Grills using charcoal grills are prohibited within the athletic complex. The maximum propane gas cylinder size allowed will be 20 pounds.

Harvard University is a great place to tailgate before a Cannons Game. However, tailgating rules are strictly enforced!
