Babysitters are expensive but that doesn't mean that you have to give up your Saturday night. Take some time for yourself "**guilt free**" as your kids have their own fun!

We provide more than just a drop off daycare service. We provide organized **activities, crafts, games and skating**. We have an excellent staff to child ratio so you can be certain that your child is being watched at all times.

We also have a **special program for tweens** including age appropriate activities. Those kids who would like to come to the rink alone but still need a watchful eye on them to make sure that they are safe. They feel independent but you can enjoy yourself knowing we are here for them.

Let our Qualified, CPR certified staff supervise the fun while you take a night off for yourself!
