## Calling ALL 4-6 year olds!

We would like to form many "U6" teams for the fall and spring seasons. U6 teams consist of children born after 08/01/2006. We do not keep score at this level; it is expected to be a learning experience! Teams are first formed by requests (if any), then by current school of attendance.

*SPRING: We are still accepting Spring season registrations for certain age groups. Visit our website and / or email us to see if we have space!*

Practices for U6 teams are conducted only once a week. All games are in New Berlin and typically are played on Saturday mornings, with a professional coach working with players on skills when they are not in the game. Fall season runs from late August through October. Spring season runs from April through the end of the school year.

Games are small-sided (3 v 3) with no goalie at this age. Special U6 rules are designed to ensure that every player gets more "touches" on the ball and opportunities to pass than in large-sided games. Coaches are on the field during games to serve as refs and mentors to help players learn in what is often the players' first exposure to soccer and team sports.
