

FUNDRAISER FOR MICKI MADLAND TO HELP WITH HER FIGHT AGAINST CANCER

Skate to Excellence's third annual golf tournament will be a fundraiser for Micki Madland, an STE 1998 AAA team mom.

In June 2004 Micki was diagnosed with Ductal Carcinoma in Situ (DCIS) breast cancer in her right breast. It was determined that she would have to undergo a mastectomy. Due to never wanting to go through that again, she chose to have a bi-lateral mastectomy. They considered the cancer to be an aggressive form and recommended that she go through eight rounds of chemotherapy. She started her chemo treatments in early September and completed them on January 28, 2005.

In October 2008 she was diagnosed with stage IV breast cancer that had spread to her liver, lungs, and bones. She has been through 12 different treatments since her first diagnosis in 2004 and is currently undergoing chemotherapy to help improve her quality of life.

There will be a silent auction as part of the golf events on July 30th and any cash, prizes or items that you could donate would be greatly appreciated. Contact Terry Hughes at 651-815-8960 or Mary Kanner at 651-490-5327 for donations or if you have any questions. All proceeds from the golf tournament and silent auctions will go to Micki Madland. We are very thankful for all of your support as she continues her fight to kick cancer to the curb.
