“Taking Pride in Developing Skills of All Level Skaters”

Skate to Excellence was created in 2002 to help young skaters improve their stride and increase speed, along with developing their skating, shooting, passing and puck handling skills. Over the years, STE has been expanding and growing our clinics to continue to teach and instruct hockey skills to develop the complete hockey player.

Skate to Excellence AAA Hockey is designed for individual player and skill development as well as learning team concepts. The teams will play in 3 or 4 tournaments, skate about 40 practice hours and may have up to 10 additional dry land sessions this season. Off ice/Dryland/Treadmill training will be done in partnership with **Acceleration North**. Skate to Excellence AAA teams may consist of 15 to 20 tournament players and have 8 or 9 developmental skaters. Each team will practice 2 or 3 times per week on a set schedule from April to August, including a June–July break. Practices will be at Schwan’s Super Rink in Blaine, MN.

(2) U10/2001’s-2002’s (Red & White Team) • (2) U12/99’s-2000’s (Red & White Team)
