Forms (from Registrar) for Coaches

IWYHA Coaches Registration Form

Please fill this out, so you can be correctly registered with USA Hockey. This form will be used by the Vice President and Ace Director, and kept by the Registrar.

USA Hockey Consent to Treat

Should a coach be injured, having this form will position the team reps to use the same processes and procedures they would, to assist an injured skater. The signed/dated original of this form will be kept by the Registrar, and a copy of the signed/dated form will be given to the team rep for the team (s) you are coaching.

This form also has an optional section, the **Medical History Form**. Filling out this part of the form is encouraged, but optional.

IWYHA Application & Disclosure Statement

USA Hockey mandates that every coach, team manager and board member permit a background check. This is a common practice in many other youth organizations, and has been adapted by USA Hockey. Please review, sign and date the Agreement. This form will be used by the Ace Director and kept by the Registrar.

IWYHA Code of Conduct & IWYHA Code of Conduct Acceptance

The Vice President and/or Ace Director will review the Code of Conduct with the coaches at the coaches meeting, as they have in prior years. Please sign and date the Agreement. This will be kept by the Registrar.
