2010 5th Dinner and Auction Fundraiser "Graveyard Gala"

Dear Fellow Patron,

Please accept this letter as an introduction to the Franklin Pierce Soccer Club. FPSC is a non-profit youth soccer club that has been providing a safe and affordable place for the kids of our community to play soccer since 1969.

The Franklin Pierce Soccer Club mission is to provide the opportunity for as many young girls and boys as possible to play soccer, at the most affordable price.

The volunteer run club strives to keep the cost of participating in youth athletics at an affordable level for all families in our community regardless of their economic backgrounds. Proceeds from the fundraiser will help us maintain quality equipment including balls, goals and uniforms, keep player fees low, provide lighted practice in the fall when it gets dark so early, and ensure the children of our community can continue to enjoy playing the greatest game on earth.

Our 5th Annual auction will be held on Saturday, October 30th, 2010 at the Puyallup Fairgrounds and will be attended by well over 300 youth soccer parents. Your business will receive special recognition in our auction catalog should you be willing to support the soccer club in the following ways:

- Donate a tangible item, gift certificate or service
- Make a cash donation to help underwrite the expenses of the auction
- Purchase an advertisement for your business in the auction catalog

Any donation you make is tax deductible, and we will provide you with a receipt for your records. We are extremely grateful for your support. Thank you!

Sincerely,

A handwritten signature in black ink, appearing to read "Bob Allred", written in a cursive style.

Bob Allred
