All Coaches applying for the 09-10 season must do so before October 1st. All applications should be mailed to:

Pete Paletta
6141 188th St.

In order to meet USA Hockey regulations, coaches from each registered team MUST be certified under the USA coaching program. A coach MUST be certified to the correct level for the team to participate in on ice activities, games, or practices. Each year these programs are available for any individual interested in coaching at an expense that will be reimbursed by the CYHA upon completion of the course. Please look for the clinic dates and times to be published in the newsletter or go online to www.wahahockey.com

Please go online to register for clinics as soon as possible. We rely on volunteer coaches to make our program possible. These clinics are for the novice to the experienced coach. Come join the ranks of coaches today!
