

## **Concession Stand Reward System**

One of the Northern Lights Figure Skating Club's goals is to help our skaters financially. The club has only two forms of income, one of them being the concession stand. This year we are asking each family to volunteer for a specific number of shifts to assist in supporting the club:

Metallites	- 8 shifts	Stars	- 7 shifts
Sparklers	- 6 shifts	Twinklers	- 5 shifts
Comets(Tots)	- 2 shifts	Individual	- 4 shifts

Go to the Northern Lights Website <http://www.northernlightsfsc.com>

Log In on the top left corner; once logged in; click on DIBS

If you have never logged in, please click on CONCESSIONS and there will be instructions on how to register.

With the supervision of an adult, 14 and above are welcome to work!

If you should have any questions regarding DIBS process  
please contact Rachel Hemsing
