

Dear Financial Assistance Applicant,

TNFC has established a financial assistance program for soccer players who are eligible to participate on a travel soccer team, yet require assistance in paying the associated fees. Financial assistance is available on a limited basis for those who complete the application and submit the required documentation to prove the need for assistance. Applications need to be submitted for each season of play.

The assistance will contribute to the cost of the club dues ~ it will not cover additional costs of travel soccer. Parents or guardians would be responsible for paying for all other costs associated with agreeing to join a travel soccer team. Players would be required to participate in all activities of the team ~ including practice, training, and games.

In addition, parents will be required to volunteer for the club during the season that the assistance is awarded. To meet this requirement parents will serve a minimum of 10 hours to fulfill this requirement. Volunteer opportunities can be found at www.tnfc.org and by contacting the team manager.

Decisions as to who will be awarded the financial assistance monies will be determined by a committee comprised of the Treasurer of the club, two parents, and one coach. Your application and personal information will remain confidential and will be shared with no one. The manager of the team will be notified after the financial assistance has been awarded so that the appropriate fees can be paid directly to the team.

To be considered for financial assistance, submit the financial assistance application, copy of last year's tax return and any additional pertinent information:
