

INSTRUCTIONS FOR ON LINE REGISTRATION (USWOA & FILA)

If you were a previous member, do not create a new record. Your profile will already be in the USA Wrestling membership system. Click on the "here if you forgot your password" and it will be emailed to you in a matter of minutes. If your email has changed, contact the office at uswoaoffice@verizon.net.

New and renewal USWOA 2011 and 2012 memberships can be obtained at:

usawmembership.com

All members 18 and over must have a background check. If you completed and paid for a background check in 2010, it will be good for 2011. The screening is good for 2 years.

Make sure all your personal information is correct. Once you have started filling out your membership renewal it will say click "here" to begin your Background check. It will link you to TC LogiQ. You will need to read the screens. If you have previously done a Background check with TC LogiQ, you already have an account with them. Have the system find your account and request a new password. It will be emailed to you, if needed .

Create a NEW ACCOUNT if you are registering as a new 2011 official. You do not already have an account with TC LogiQ.

2010 new officials have their Background done and are good for 2011 and will not be prompted to complete another 2-year screening. If this is the case, the system will only allow you to purchase a 1-year membership.

You will be mailed your stamp and control card when you have paid and been cleared. USWOA office does not have anything to do with your background check. If you have questions regarding any delay in receiving your clearance, please contact Tony Black at USAW: TBlack@USAWrestling.org.

**Contact De Heyman, USWOA Administrative Assistant office email
