

## HISTORY OF THE GLENN "DOC" MILLER MOST VALUABLE PLAYER AWARD

This regulation-size gold football, mounted on a base, is a traveling trophy given each year by the Waterloo Rotary Club to the outstanding senior football player from among the three Waterloo high schools.

It is given in memory of an outstanding Rotarian, Glenn "Doc" Miller, former president of the Waterloo Rotary Club in 1954, Captain of University of Iowa Football Team in 1923, and halfback for the undefeated Iowa teams of 1921 and 1922.

Thank you to fellow Rotarian Roger Olesen for providing both the Glenn "Doc" Miller plaque that is given to the award recipient and the traveling trophy that is given to recipient's high school.
