2012 Spring/Summer

Dear Sponsor:

We are writing this letter in behalf of the California Kryptonite, a program of Branham Hills Girls Softball (BHGS), an Amateur Softball Association (ASA) organization, which is a youth league comprised of girls ages 5 to 16 years. For more than the last 30 years, we have supported our community with a spring enrollment of 350+ girls. The Kryptonite program is the A level teams that play at the top levels of tournaments during the year.

During the tournament season our organization relies upon community support and sponsorship, with fundraisers raising additional funds, in order to help keep the organization a supporting entity in the community - while providing positive constructive sports for our daughters. We are currently requesting your assistance with one of CA Kryptonite teams, which are comprised of our area's top players. Our team plans to participate in up to twelve tournaments this spring/summer and we'll need assistance to help offset the costs of equipment, uniforms and tournament participation.

While any donation would be appreciated; your donation of a \$300 value or more will include a team photo/plaque, your company logo listed on our website ([www.CAKryptonite.com](http://www.CAKryptonite.com)) and a link to your website. Please note, each tournament is approximately \$400-850 per event. We also appreciate any in-kind gift donations of items for concessions sales, softball equipment, recognition gifts, etc. In addition, we will encourage our participants will patronize your business as a priority.

The form on the next page should be filled out and submitted with your donation. A signed receipt will be returned to you for your records. Thank you in advance for your support of not only our summer travel teams but to your community. We are looking forward to your assistance and appreciate your donation.

Sincerely,
