

## White Bear Soccer Club Coaching Scholarship Form

The WBSC has approved a limited amount of funds for a scholarship program for previous WBSC players that are involved with WBSC teams in the capacity of coaching/training of WBSC teams. The criteria is that the former WBSC player is

1. not a hired coach for the team (paid by the team for services rendered),
2. the player has played previous years with the WBSC (multiple years played but not consecutive years),
3. the player is volunteering a minimum of 10 hours over the course of the summer season.

The official team coach needs to submit a letter of recommendation by September 1 covering the details of how the volunteer meets the criteria and the coach's reason for why the player should be a recipient for the program.
