

USA Hockey, Initial Staff Invitation for the 2010 Girls' Select Player Development Camps

Greetings coaches! We would like to invite you to apply for a position at a USA Hockey Girls' Player Development Camp. By accepting this invitation, you acknowledge that the Player Development Committee will determine staff assignments for each camp and you agree to the following guidelines if selected to attend:

*You will be a team co-coach, team leader, strength coach, goalie coach, or intern coach at the below listed Camp. Coach pairings and team leader assignments will be determined by the National Office. **All staff members will be required to register online for the camp they are going to work. Marissa Halligan will email instructions for online registration once the staff has been determined.**

*You are required to attend the Program of Merit. Check-in for all staff will be between 2 pm and 5 pm on the day before the camp officially begins (dates noted below). If you are unable to attend the Program of Merit, you will not be able to work the camp!

*You will lodge in the dorms with the players for the entire Camp...no exceptions!

*Per instructions from Marissa Halligan at a later date, you will be responsible for arranging your own transportation within the requested time frame through our approved travel agency. USA Hockey will pay for your transportation to and from your hometown and the Camp. USA Hockey will not reimburse anyone for rental car costs and you will be required to make your travel arrangements through the designated USA Hockey travel agency.

*You must submit a completed USA Hockey Screening Application. You will receive an e-mail from Marissa with additional information regarding this process.

*Should you for any reason, at any time, need to back out or change your commitment, please notify Marissa as soon as possible. Please do not replace yourself, as we have a long waiting list of qualified and interested coaches from which we will choose a replacement.
