Our tournament is a MBT and GSTC State Qualifier at all age levels. The first and second place finishers will receive a berth to the MBT State Tournament and the GSTC held in July. Up to the day of the tournament, coaches can contact the Tournament Coordinators, with any questions. Beginning the day of the tournament, tournament contacts will be posted and manned at the sites for any questions.

You will be required to visit our website several days prior to the event to learn of pool placement for assignment of playing times and fields.
