## S.K.A.T.E.:

~~S.K.A.T.E. to achieve your Goals!

FYHA will once again be participating in the S.K.A.T.E. (Skaters Keep Achieving through Education) program for 2009-2010 season.

Youth hockey players in grades 3-9 are eligible to participate in this program. To be eligible each individual must have a 3.0 grade point average for the Semester or Quarter that coincides with the hockey season, which usually come out in March.

All report cards are due to me by April 1<sup>st</sup>.

All qualifiers will be put in to a drawing from the state for prizes and as an added incentive this season our association will also be doing an in house drawing for prizes. I will be emailing more information soon to all team coordinators so watch for that. So hit the books and start studying hard and SKATE to achieve those goals!!!
