

Fusion for South Africa!

T AFC '97 Fusion is a U12 girls soccer team from Northern Virginia. We recently won a disk dance contest sponsored by the South African Department of Tourism, and we're all flying to South Africa!

We'd love to do something in return, and have decided to bring soccer equipment with us to share with underprivileged kids there.

If you have any new or gently-used soccer equipment (cleats, shinguards, balls, etc.) that would like to donate to our cause, please let us know (before 25 March 2010)!

Bafana Bafana!

Visit www.learntodiski.com/ to learn more about the contest and to see our winning video!

Write to munozros@paho.org and we'll collect your donation.
